We are a family run smoke house, passionate about creating authentic home-smoked meat dishes, using local produce.

Our pit-master meats are all smoked right here on site for between 4 & 18 hours.

Our smokers can be seen as you come through the beer garden! (but please admire from safely outside the smoker shelter.)

All the draughts you'll find here are from within 100 miles, almost everything we serve is homemade, right down to our sauces, & around 95% of our regular menu is (or can be made) gluten free, even our burgers & mac n' cheese!

We're family and dog friendly throughout, and our aim is to give you a great time, a friendly atmosphere, and a full belly.

Situated in the heart of Halberton, we're just minutes from the Great Western Canal, with easy access to the surrounding villages & motorway.
